

# wish list

North House is a young nonprofit with big dreams and tremendous potential but with limited resources. Thus, like many small nonprofit organizations, from time to time we identify resources that we need and that we hope someone in our extended community of friends and supporters may be able to provide. Outlined below is a partial list of these resources.

## **General Needs**

- flat screen monitor (24"+) for classroom presentations
- high quality 3-drawer metal filing cabinets (for heavy files)
  - compact CD player and radio with small speakers
- new 25hp four-stroke boat motor, electric start (for harbor tender)
  - new digital video camera (please call to discuss)
- four wheel drive ¾ ton pickup truck with towing package

## **Woodshop & Boatbuilding Classrooms**

- heavy duty cordless screw guns (4)
- sets of quality hand tools (8): each consisting of block plane, spoke shave, tape measure, basic chisel set, hammer, carving knife, square
  - new high quality band saw with roller base

## **Blacksmith & Metalwork Classrooms**

- anvils (8)
- rectangular forges with hand-cranked blower (4)
  - tool sets (8): tongs, hammers, punches

*In-kind gifts of many types are welcome, and please remember that they are fully tax-deductible. Questions and inquiries are always welcome - please call 218-387-9762.*
